Purpose of collecting personal data

Wutra needs this information for:

- Contact for the implementation of the Agreement
- Legal obligation
- Providing information about our services at (potential) customers/suppliers
- Application procedure for a vacancy

Sharing personal data

Wutra does not make personal data available to third parties, other than necessary for the implementation of the Agreement, unless the person concerned explicitly permits it

Access to personal data

Only the person concerned has the right to view, change or delete his / her personal data. A request can be submitted for this at the email address avg@wutralogistics.com together with a copy of proof of identity to establish the identity.

Retention period for personal data

The retention period of these personal data, which are linked to the agreement and have a tax basis, is legally 7 years, after which the data is destroyed

The retention period of the application data is 6 months, after which the data is destroyed

Security of personal data

Wutra takes appropriate technical and organizational measures to protect the personal data. Personal data is encrypted where possible, locally protected by passwords, current up-to-date firewall, virus scanners and authorization policy.

Backups are provided with passwords

Use of cookies

Our website uses "cookies" to analyze and improve website usage with technical functionality. The IP address is not recorded, so that the use remains anonymous. You can delete the cookies in accordance with the usual procedure of your Web browser

Amendments

Wutra is entitled to adjust this privacy statement for various reasons. The most current version can be found on our website www.wutralogistics.com . The current version is **version 1.06**
